London Harbor. The craft anchored in the crew who could not have been off Eastern Point and immediately more than fifteen years old. All Capt. Frederick Hinsch, director of seemed to be very much pleased to PARIS the Eastern Forwarding Co., who was arrive anfe in harbor. They did not on watch for the craft, was notified by Capt. Koenig. Capt. Hinsch telephoned to Health Officer Dr. Edwin C. Chipman, at Waterford, to officials for the protection of the subcome at once to the T. A. Scott wharf sea boat and the careful wate' a on Pequot Avenue.

Dr. Chipman and medical inspector Dr. Ross E. Black soon arrived, and tinued in company with Capt. Hinsch went CARGO OF CRUDE RUBBER AND attacks north of the Somme were anout on board the tug T. A. Scott jr. to the Deutschland.

WARM GREETING GIVEN TO

KOENIG AND HIS CREW. The party gave a warm greeting to Capt. Koenig and his crew and they returned it with the warmest of feeling. Dr. Chipman then took the ship's papers and examined the crew. All were found to be in the best of health. Cigars were passed around, and shortly after 1 o'clock Dr. Chipman and Dr. Black weer conveyed back to land.

Chief Capt. David Hunt of the T. A. Scott fleet was taken on board and he piloted the Deutschland up the river and to the "pocket" awaiting the craft at the pier.

Not long after 2 o'clock the Deutschland was eafely in the "pocket" and the floating screen board fence fifteen feet in height was towed across the bow of the Willehad to a point opposite on the pier. Tired out and fatigued from the low of sleep the crew was taken on board the Willehad, which had been at the pier the last three months awaiting the Bremen, which has been given up for lost by the German officials. A

the Willehad. High seas and stormy weather were Deutschland safely eluded the watchful English patrol and by a circuitous route got past all danger. Out in the Atlantic the ship ran into severe three days ago, when favorable seas prevailed. The last three days were sailed in perfect weather.

MILE LIMIT WAS PASSED.

When the three mile limit was reached and passed there was great rejoicing on board. Captain Koenig decided that it would be better to by the Russians yesterday to recapmake New London instead of Baitt- ture positions taken by the Austromore, where it had been reported the German forces on the Narayuvka

Montemagno, said the now confessed ssassin was the "innocent victims" of a plot of former Sheriff Thomas Foley against Refranc. Barra said in his summing up: "Instead of calling this case the State vs. Montemagno it should be called the Thos. A Foley Association vs. Michael A. Rofranc." To Mr. Littleton, Mr. Cucci said that when Brondini was tried for suborning perjury Mr. Brothers said to the witness: "We in the District Attorney's office we know he took the perjured witnesses to your door and sent them in."

The President's friends expressed themselves as deeply gratified over Senator Lodge's action in retracting the charge that there had been a postseript on the Lusitania note. assassin was the "innocent victim" of

ers's summing up in the Montemagno trial. He then read to the witness a part of Mr. Brothers's speech to the jury in which the Assistant District Attorney said Montemagno was too low and vile a liar to be believed by any tury, and was not the type of man the District Attorney would ever use as a witness. At the same time Mr. Brothers resented criticism of the District Attorney's office for failing to indict Rofrano, saying there was no evidence against him and that any Judge would kick the case out of court.

SAYS PERKINS URGED MAYOR TO DISMISS ROFRANO.

Emory R. Buckner of Root, Clark, Buckner & Howland, and a former Assistant District Attorney tool of his wish for Rofrano before the Deputy Commissioner of Street Cleaning ons indicted.

Q. Did Mayor Mitchel communication

with you regarding Rofrano? A. He sent me word that District Attorney Perkins wanted Rofrano to resign—wanted the Mayor to fire him. in fact. He didn't say whether he was going to take action as requested by Mr. Perkins.

to take action as requested by Mr. Perkins.
Q. Did you go to see Mr. Perkins about that? A. Yes. I told him it wasn't fair to fire a man just as he was about going on the witness stand in the Carnivale trial. The Mayor had said Mr. Perkins complained it was impossible to get the truth about the case while Rofrano was in high public office; Mr. Buchner protested to the Mayor that it would be as hard to the Mayor that it would be as hard

for Rofrano to get a fair bearing if he were discharged. The Mayor allowed Rofrano to remain in office until after Carnivale was convicted. Mr. Buckner said he went to Assist-

Mr. Buckner said he went to Assistant District Attorney Deacon Murphy and offered such assistance as Rofrano could give in clearing up responsibility for the Gaimari murder. "Mr. Murphy was taciturn," said Mr. Buckner. "His manner indicated hostility and prejudgment."

Alexander Toresis, superintendent of the Hariem Benevolent Institute and Hospital. of which Rofrano was a

Hospital, of which Rofrano was a trustee, showed by the minutes of the organization that he was at an afterneon meeting Jan. 11, 1915. This countered on the contention of the prosecution that Rofrano was in telephone. phone conversation with Carnivale at the Municipal Building that afternoon. Mr. Brothers asked the witness to

hold the page of Jan. II to the light.
Q. Do you see the marks of an eraser on that paper? A. Yes. Q. Hasn't something been scratched out and something written in? A. Yes.

Q. It is a change of the date is it not? A. Yes. I did it.
Q. When did you make that change?
A. Jan. 12, the day after the meeting.
I think I had written Jan. 10 by mis-

POLITICAL POLITICAL.

EARNERS!! Will you let the Protective Tariff-that old Stalking Horse of

Special Privilege—fool you again? How about the "protection" of American wage earners in the "good old Republican days," when employees of the Steel Corporation worked twelve hours a day for \$1.50?

The Steel Trust was Protected in those days - Were You?

Were Consumers? How about long hours and starvation pay in the woolen mills of Lawrence? Do you remember Lawrence?

Those woolen mills were highly protected.

Do you remember the want and misery caused by the strike in the Paterson Silk Mills? They were protected. Low wages, long hours, industrial oppression, exploitation of the consuming public through high monopoly prices—these were the fruits of the Republican policy of "Protection" in the past.

And They Will Be Again.

The worst drivers and exploiters of labor in the United States are the very men who are clamoring for a high tariff, "to protect the American working man!"

The Democratic tariff had nothing to do with the depression of 1913 and the Republicans know it. They know also that it began under Taft. a Republican President was asked what to do about the unemployed, he replied: "God knows!

But Democratic financial legislation had everything to do with righting business and industrial conditions and preventing a disastrous panic at the outbreak of the European war. It prevented your savings-if you had any after Republican rule-being swept away in bank failures or wasted by unemployment. H. P. Davison, partner of J. P. Morgan and ardent supporter of Candidate

the war. He has just returned from studying economic conditions in Europe. But give the "Old Gang" a chance to repeal the financial and other legislation that has saved the country from panics, and they'll make hard times and bread lines whenever it suits their purpose! And You will be the loser!

Hughes, if the latest to admit that our prosperity is bound to last for years after

The Republican managers have demonstrated in this campaign that they are masters of buncombe and deception. But the Facts and hard common Sense are against them.
